To whom it may concern

TOKAI Holdings Corporation  
Katsuhiko Tokita, President & CEO  
(Code No. 3167 Tokyo Stock Exchange First Section)

**Prize Winner of “Shizuoka Prefecture Governor Prize on Health-Promoting Activities”**

TOKAI Holdings Corporation (the “Company”) announces that TOKAI Management Service Corporation (the “TOKAI Management Service”) (Head Office: Shizuoka City, Shizuoka Prefecture, President and CEO: Hiroyuki Ozawa), a fully owned subsidiary of the Company and TOKAI Group’s shared services entity, has received the “Governor Prize on Health-Promoting Activities” from the Shizuoka Prefecture.

“Governor Prize on Health-Promoting Activities” is awarded to organizations who are actively engaged in health-promoting activities for prefecture citizens and are expected to continue playing an active part, serving as role models for others.

TOKAI Management Service is actively engaged in health-promoting activities for each company of the TOKAI Group and is contributing to the promotion of Group’s health and productivity management.

The Group will continue to strive to realize its corporate philosophy of “For customers’ livelihood, along with the region, together with the earth, we will continue to grow and develop” through provision of health-related information to our employees, development of structures to encourage health promotion, and commitment to various health-promoting measures.
