TOKAI Holdings Corporation
Katsuhiko Tokita, President & CEO
(Code No. 3167 Tokyo Stock Exchange First Section)

Qualification as AWS Public Sector Partner

TOKAI Holdings Corporation is pleased to announce that TOKAI Communications Corporation (hereinafter “TOKAI COM”), our 100% subsidiary, was qualified as “AWS Public Sector Partner” in the Amazon Web Services^{*1} (hereinafter “AWS”) Partner Program under the “AWS Partner Network” as per the attached press release by TOKAI COM.

TOKAI COM, as the Group’s core company, provides wide range of IT services to individuals and corporates. We strongly believe that this qualification recognizes TOKAI COM’s achievement in its introduction of AWS to the public sector.

TOKAI COM will continue to make full use of Group’s data centers, wide area fiber optic networks, and system development capabilities to provide comprehensive ICT solutions to the society.

*1 Amazon Web Services (AWS): A cloud service provided by U.S. based Amazon Web Services, Inc.

* Amazon Web Services and AWS are trademarks of Amazon.com, Inc. or its affiliated companies in the U.S. and other countries.

TOKAI Communications Corporation

Qualification as AWS Public Sector Partner **- One Stop AWS Introduction Support to Government, Municipalities, Educational Institutions, Non-Profit Organization and Others-**

TOKAI Communications Corporation (President and Representative Director: Yasuhiro Fukuda, hereinafter “Company”) is pleased to announce that it was qualified as “AWS Public Sector Partner” in the Amazon Web Services (hereinafter “AWS”) Partner Program.

As an APN partner with various qualifications, including the AWS Partner Network (APN) Advanced Consulting Partner, the AWS Direct Connect Partner (dedicated connection service), and the AWS Networking Competency, the Company provides a one-stop service in all stages in terms of AWS introduction, from consultation to infrastructure construction, line connection, monitoring, and operation.

AWS Public Sector Partner is a program which qualifies partners who contribute to administrative agencies, educational institutions, non-profit organizations and others through technology of AWS. Under this certification, the Company’s achievement of AWS introduction to the public sector was recognized.

AWS Public Sector Partner Logo

■ AWS qualification, etc. obtained by the Company

- APN Advanced Consulting Partner
- AWS Direct Connect Partner
- AWS Private Line Access Hands-On Lab. Supporting Partner
- AWS Networking Competency (Direct Connect Infrastructure Category)

【Qualification obtained this time】

- AWS Public Sector Partner (for all three categories of Government, Education, and Nonprofit)

The Company has supported many municipalities in the past by constructing and operating municipalities' information security cloud, and providing services as the LGWAN-ASP Service provider (communication, facility, hosting).

In terms of AWS, as a highly reliable partner with AWS Public Sector Partner qualification added, the Company will integrate and leverage its technology and expertise previously gained to respond to various requests from customers from a comprehensive and multilateral point of view. Efforts will also be made to provide optimum cloud solutions so it may contribute to an added enhancement and efficiency of public services.

■ AWS Solution Web Site

For the Company's AWS solutions which support customers' AWS usage including introduction support of AWS and Amazon WorkSpaces, dedicated lines connection, and proxy administration, please see the following specially set-up website.
