## **Tokyo Bay Network Co., Ltd. Started providing "DAZN", a video distribution service**

Tokyo Bay Network Co., Ltd. (Headquarters: Koto-ku, Tokyo, President: Masahiko Takada, hereinafter "TBN"), which operates the CATV business as a consolidated subsidiary of the Company, began providing the sports-specialized video distribution service "DAZN" on February 1, 2021.

DAZN is a service that allows you to enjoy not only live broadcasts of sports held around the world, but also various contents such as overlooked distributions, highlights, and special programs anytime, anywhere, on your favorite device. Furthermore, in order to enjoy watching sports with even greater power, you can watch it on the big screen of the TV by installing a dedicated cable TV tuner that can be viewed DAZN.

The Group's CATV business develops community-based services and contributes to the safe, secure and comfortable lives of local residents. Going forward, we will continue to strengthen the role of core infrastructure providers in the region and establish trust and position as a business that improves the quality of life of people.

### ■ About DAZN

"DAZN" is a sports channel where sports fans can enjoy their favorite sports anytime, anywhere. In addition to domestic content such as the Meiji Yasuda Life J League and professional baseball, the Premier League and La Liga European soccer such as Santander and Serie A TIM is also broadcast. In addition, it provide more than 130 contents such as F1, tennis, basketball, and martial arts in more than 10,000 games a year, and deliver the excitement of all the world's best sports as a service where you can watch live sports most.
