## **Announcement of "B" Score for the Third Consecutive Year Achievement in CDP 2025 Climate Change Field**

TOKAI Holdings Corporation (Headquarters: Aoi-ku, Shizuoka City, Shizuoka Prefecture; President and CEO: Katsuo Oguri; hereinafter referred to as "the Company") is pleased to announce that the Company has achieved a "B" score in the climate change field of the 2025 assessment by the international environmental non-profit organization CDP\* for the third consecutive year.

CDP's assessment scores are rated on an eight-point scale (A, A-, B, B-, C, C-, D, D-). A "B" score is classified as "Management Level," which indicates that the Company is aware of and actively addressing its environmental risks and impacts.

The TOKAI Group is committed to strengthening its foundation for sustainable growth as part of its ongoing "Medium-Term Management Plan 2025," with a key strategy focused on promoting Green Transformation (GX) initiatives aimed at achieving low and decarbonization.

For more information, please visit: <https://www.tokaiholdings.co.jp/english/sustainability/environment/gx.html>

Moving forward, we will continue to actively work on reducing greenhouse gas (GHG) emissions in our business activities and our customers' energy usage, contributing to the realization of a sustainable society.

### **■ About CDP**

CDP (Carbon Disclosure Project) is an international environmental non-profit organization established in 2000 that operates a global environmental information disclosure system. It investigates and evaluates the efforts of companies and municipalities worldwide to address environmental issues, including climate change, and facilitates information disclosure. In 2025, 640 institutional investors with a total of US\$127 trillion in assets under management have requested CDP to collect data on their environmental impacts, risks and opportunities, and more than 22,100 companies are disclosing information through CDP's platform.
